ICBC Results

The MIS team of **Courtney Kozakewycz** and **Mike Jesse** competed in the final round of the ICBC competition at Queen's University January 2nd to 4th. They were one of six MIS teams who made it to the final round (29 schools participated in the first round). Congratulations to Courtney and Mike on their accomplishments and on representing the Hill School. They performed very well in the final round, but unfortunately did not place. Mark your calendars to attend an event to celebrate the team's efforts on January 8 from 2:15 to 3:00 p.m. in ED 514.

Welcome!

Welcome to our new support staff person, **Jodi Spies**. Jodi is here for a six-month term, filling in for Melanie at the front desk. Those of you who have been around for a few years may recognize Jodi, as she convocated in 2005 from our program with a specialization in Marketing. Since that time, in addition to getting married and starting a family, she has worked at a variety of positions, most recently on contract with the Federal Government as a Citizen Service Officer.

JDC West Reminder

We will be hosting JDC West 2014 on campus from January 17-19. The competition will effect the use of all classrooms on the 5th and 6th floor of the Education Building on those dates. Alternate arrangements should have already been made so ensure you are aware of where your class should be taking place.
